

Extension name: **Freeagent Extension for Zoho CRM**

Tagline

Seamless and quick connection with Zoho and Freeagent

Overview

The profitability of your business is bound to how productive your sales team is, and Zoho CRM to Freeagent is a practical extension that speeds up productivity by ensuring a seamless flow of information between your CRM and Freeagent accounting software. This is the right tool for your sales teams to drive home sales as it syncs contacts and quotes to your accounting software, ensuring your team always has up-to-date information on each customer.

Key Features

Automatically create a module to connect with your Xero account easily.

Auto creates a module in the CRM that connects to Freeagent

Updates record successfully pushed to Freeagent in CRM

No coding required; easy set up

No other field creation needed for the CRM

USE

From Zoho to FreeAgent:

Integrates Zoho Contacts, Sales orders and Quotes along with Zoho Invoices to FreeAgent.

From FreeAgent to Zoho:

Integrates updated Freeagent Invoice status back in Zoho CRM.

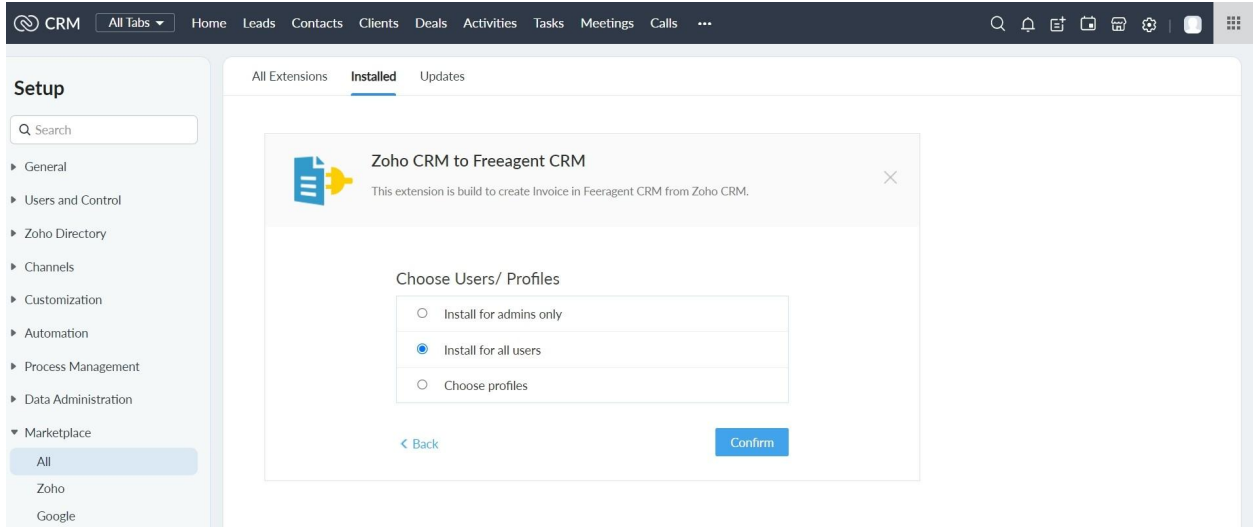

INSTALLATION STEPS

Search for Zoho CRM to Freeagent in Marketplace or click on the link on the website.

1. Click the checkboxes and select Continue

2. Select the users/profiles that should have access to the extension and click on Confirm

3- Installation begins

4- You will see this page upon successful installation of the extension

The screenshot displays the Zoho CRM interface. At the top, a navigation bar includes the CRM logo, 'All Tabs', and menu items: Home, Leads, Contacts, Clients, Deals, Activities, Tasks, Meetings, Calls, and a search icon. Below the navigation bar, the 'Setup' section is visible on the left, with a search bar and a list of categories: General, Users and Control, Zoho Directory, Channels, Customization, Automation, Process Management, Data Administration, and Marketplace. The 'Marketplace' category is expanded, showing 'All', 'Zoho', and 'Google' options.

The main content area shows the 'Installed' tab selected, with 'All Extensions' and 'Updates' tabs also visible. The 'Extension Details' page is displayed, featuring a back arrow, the title 'Extension Details', and links for 'Uninstall' and 'Get Support'. The details are as follows:

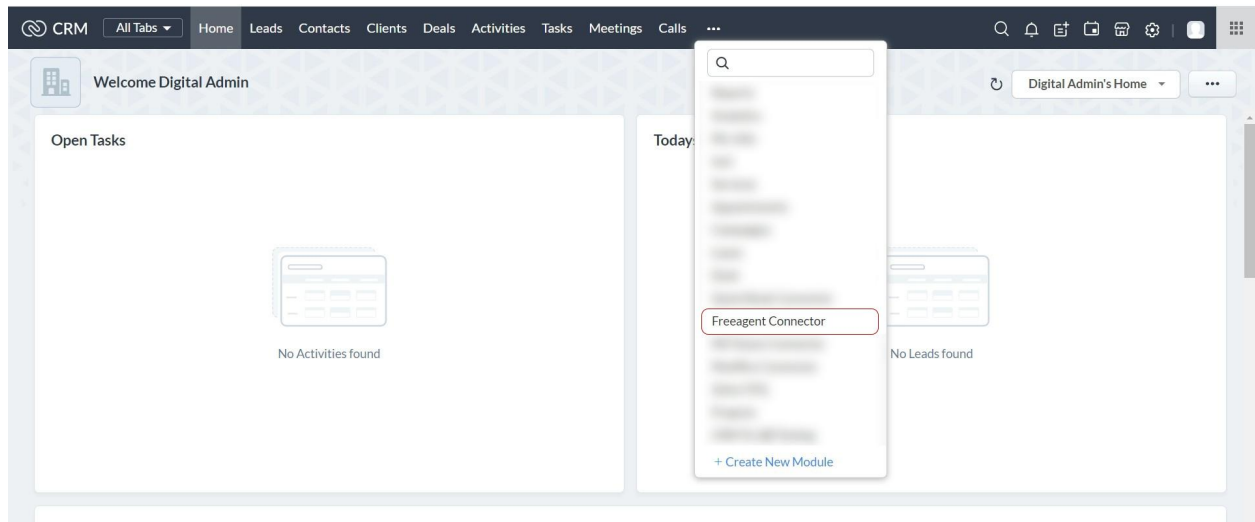

Name	Zoho CRM to Freeagent CRM
Version	12.0
Installed by	hello@digitalsocius.com
Installed date	05 Sep 2022
Short description	This extension is build to create Invoice in Feeragent CRM from Zoho CRM.

Password

Customer Support

Call 0800 288 8691 · support@freeagent.com

8- Click on approve

9- Login into your mail to confirm your account

10- Once you confirm your account, you have successfully connected your Freeagent to Zoho

11- The Freeagent Connector will show this when connection has been successful

UNINSTALLATION STEPS

How To Uninstall Extension in Zoho

It is quick and easy to uninstall this extension in your Zoho environment without causing any hiccups.

1. Go to set up;
2. Scroll down and click on marketplace or type it in the search bar
3. Click on installed, scroll down to Zoho CRM to Freeagents Meeting
4. Click on uninstall

POST INSTALLATION

After successfully installing the **Freeagent Extension For Zoho CRM**, these fields will be **auto-created in your CRM**.

The screenshot shows the 'Create Invoice' form in Zoho CRM. At the top right, there are buttons for 'Cancel', 'Save & New', and 'Save'. The form is divided into several sections:

- Subject:** Laptop Sales
- Invoice Date:** Dec 14, 2022
- Due Date:** MMMD, YYYY
- Sales Commission:** \$
- Client Name:** [Redacted]
- Contact Name:** [Redacted]
- Currency:** USD
- Sent to Xero:**
- Xero Record Link:** [Empty]
- QB ID:** [Empty]
- QB Invoice Number:** [Empty]
- Sent to Freeagent:**
- Purchase Order:** [Empty]
- Excise Duty:** \$
- Status:** Created
- Exchange Rate:** 1.000000000
- Xero Invoice Number:** [Empty]
- Xero ID:** [Empty]
- Sent to QB:**
- Freeagent Invoice Date:** Dec 14, 2022
- Freeagent Invoice Created:** -None-

Field name	Field Type	Field Description
Freeagent Invoice Date	Date field	This is a mandatory field that shows when the invoice was created.
Freeagent Invoice Created	Picklist Field	Users are not required to fill this field during record creation as it autopopulates based on if the record was successfully created or not.
Sent to Freeagent	Checkbox field	This is a mandatory field when a record is being created. Without checking this checkbox field, record will not be sent to Freeagent.

HOW-TO-USE

Type the **Subject** of the Invoice and select the **Client Name**. These are mandatory fields.
